Course Description

In this class, Serious Play, the instructor will lead you through a series of games in risk, movement, focus, and voice. You will get access to a series of all inclusive games that you can string together to make one giant game that is great to use in rehearsal. You will learn how and when to use these games.

You'll get ideas on how to craft your own warm-up lesson plan; and, most importantly, you'll learn about about a pre-class warm-up that you can do on your own so that you can get yourself into that third stage of the creative brain, so that you can begin trying out interesting, creative, and risky choices for yourself in your classes and in rehearsals.
