

PROPS

By KAREN LOFTUS AND KERRY HISHON

Students will identify categories of props and which people create or obtain props. They'll analyze a script for needed props, use critical-thinking skills to problem solve prop issues, and create a prop.

1 - Properties and Prop Design

Students demonstrate comprehension of what a property is, the various categories of props, and how props are created.

2 - How to Create a Master Props List

To put students in a theatre production role and introduce one of the tasks of a prop master: a master props list.

3 - Props Challenges and How to Overcome Them

To apply problem-solving skills with respect to props challenges.

4 - Research Project: Props

To continue exploring elements of the role of prop master.
